## Consumers

**Don't buy online unless the site is Authorized!**  
Purchasing a product from a web site that is not authorized by the manufacturer to be sold will most likely result in the following problems:

1. No warranty from the manufacturer. [click here](#)
2. It may be a fake! [click here](#)
3. You may not receive the item. [click here](#)
4. Price may be inflated. [click here](#)
5. You may be subject to a Bait & Switch. [click here](#)

**What does the Authorized Seller logo mean?**  
The web site which displays the Authorized Seller seal is approved by the manufacturer as an Internet dealer. This approval process is managed by AuthorizedSeller.com which grants the use of our logo after a thorough authentication process. The Authorized Seller seal is the most difficult seal to acquire.

**Click the Authorized Seller seal to verify!**  
When clicking on the logo, all brands approved by each manufacturer will be listed. This list cannot be reproduced and is controlled by AuthorizedSeller.com

## Internet Retailers

**How your customers that you are Authorized by the manufacturer and increase your conversion rate and profits!**

Playing the Authorized Seller seal will increase your sales with instant credibility and confidence gained by your customers. "Show" them you are approved and authorized by the manufacturer. Many potential customers are concerned about this and look for some sign of credibility and proof that they are buying from a company they can trust.
